- (a) This document describes the *TeleChoice* Postpaid Mobile Service.
- (b) The agreement consists of:
 - (i) Your application;
 - (ii) The general terms;
 - (iii) This Mobile Service description;
 - (iv) The pricing tables;
 - (v) The dictionary; and
 - (vi) The appendices.
- (c) You may obtain a copy of the latest version of the above documents from the *TeleChoice* website:
www.telechoice.com.au/legal
- (d) Where you may be charged a fee or charge, then this fee or charge is set out in the *pricing tables*.
- (e) Please check the *pricing tables* carefully to see what fees and charges apply to your use of the *TeleChoice* Mobile Service.

2. THE TELECHOICE MOBILE SERVICE

2.1 What is the *TeleChoice* Mobile Service?

- (a) The *TeleChoice* Mobile Service allows you to:
 - (i) Make *calls* from and receive calls to your *mobile phone*;
 - (ii) Send *content* from and receive *content* to your *mobile phone*, including data calls; and
 - (iii) Subject to clause 2.1(b), use a range of *value added Mobile Service features*,

on *TeleChoice's network* for your own personal or business use only.
- (b) *TeleChoice* does not activate all *value added Mobile Service features* when you connect to the *TeleChoice* Mobile Service. Many value added Mobile Services require specific equipment to use them (for example, video calls access the *3G network* and you will need a compatible *mobile phone* to make these calls using the *TeleChoice* Mobile Service). Appendix A contains detailed information on the *value added Mobile Service features* available

to use with the *TeleChoice Mobile Service*, including whether there are special activation procedures, equipment requirements or limitations on use.

2.2 Who supplies the Mobile Service?

- (a) *TeleChoice* supplies the *TeleChoice Mobile Service* to you.
- (b) *TeleChoice's Carrier* supplies the *TeleChoice Mobile Service* to *TeleChoice* and *TeleChoice* re-supplies the *TeleChoice Mobile Service* to you.
- (c) *TeleChoice* may elect to provide you with access to the *TeleChoice Mobile Service* via an alternative access method or an alternative Mobile Service comparable to the *TeleChoice Mobile Service*. If *TeleChoice* chooses to change your access method to the *TeleChoice Mobile Service*, or the *TeleChoice Mobile Service*, *TeleChoice* will notify you of any:
 - (i) Substantial changes to the *TeleChoice Mobile Service*;
 - (ii) Changes to the terms and conditions on which *TeleChoice* delivers the *TeleChoice Mobile Service* to you; and
 - (iii) The new terms and conditions on which *TeleChoice* delivers the alternative Mobile Service to you, if any.

2.3 Coverage

- (a) The *TeleChoice Mobile Service* is not available in all areas of Australia. You may obtain coverage maps showing where the *TeleChoice Mobile Service* is available in Australia from *TeleChoice* or from the *TeleChoice* website: www.telechoice.com.au. You are responsible for inquiring whether coverage is available in the area in which you would normally use the *TeleChoice Mobile Service*.
- (b) In areas that the *TeleChoice Mobile Service* is available, it is technically impracticable for *TeleChoice* to guarantee that:
 - (i) The *TeleChoice Mobile Service* is available in each place within an area where there is coverage;
 - (ii) 'Drop-outs' will not occur during a call; and
 - (iii) There will be no congestion on *TeleChoice's network*.
- (c) Certain value added Mobile Service features are only available in specific network coverage areas. For example, some value added Mobile Service features are only available in *TeleChoice's Carrier's 3G network* coverage areas. The description of the value added

Mobile Service features in Appendix A will tell you if availability is limited to specific *network* coverage areas.

- (d) *International Roaming* is not available in all countries or in all areas of those countries. The countries where *International Roaming* is available may change. You can obtain information on where *International Roaming* is available from *TeleChoice* or from the *TeleChoice* website: www.telechoice.com.au.
- (e) Due to technical reasons, *TeleChoice* cannot guarantee that calls to '13' or '18' prefix numbers will be diverted to the nearest location for that '13' or '18' prefix number.

2.4 Use of the TeleChoice Mobile Service

- (a) In addition to any other obligations you may have under this Agreement (including your obligations under the general terms and the Fair Use Policy (Appendix B)), you must not:
 - (i) Make or receive *calls* or send or receive *content* on *TeleChoice's network* other than for your own personal or business use;
 - (ii) Wholesale any *Mobile Service* (including transit, refile or aggregate domestic or international traffic) on *our network*; or
 - (iii) Use the *TeleChoice Mobile Service* (including any *SIM card*) in connection with a device that switches or reroutes calls to or from *TeleChoice's network* or the *network* of any *supplier*,

without obtaining *TeleChoice's* written consent first. *TeleChoice* may give or withhold *TeleChoice's* consent, or make *TeleChoice's* consent subject to conditions, in *TeleChoice's* discretion.
- (b) If you breach paragraph (a) above, *TeleChoice* may, in addition to and without limiting *TeleChoice's* other rights under the *agreement*, immediately suspend or cancel the *TeleChoice Mobile Service*. *TeleChoice* will notify you if *TeleChoice* do this.
- (c) Change of ownership is permitted during the *minimum term* as long as the new applicant meets *TeleChoice's* credit assessment criteria and both you and the new owner agree to the conditions on the Change of Ownership form.

2.5 Applying for the TeleChoice Mobile Service

You must pass a credit check at the time you apply for the *TeleChoice Mobile Service*. The credit enquiry will remain on your credit file for up to 5 years.

3. TELECHOICE MOBILE SERVICE CHARGES

3.1 Monthly credit limit

- (a) *TeleChoice* may place (and *you* may voluntarily place) a monthly credit limit on your account (at any time and in an amount *TeleChoice* considers appropriate) or requires payment by direct debit or standing order authority.
- (b) *TeleChoice* will generally advise *you* if *you* have exceeded your credit limit via SMS and/or email *and to advise you* that your Mobile Service may be subject to restrictions.
- (c) *Your* use of the *TeleChoice* Mobile Service above your credit limit is at *TeleChoice's* discretion and *TeleChoice* will not be liable if *you* exceed the credit limit *TeleChoice* have set from time to time.
- (d) *TeleChoice* may not be able to include all charges, including those from *third parties* and *International Roaming* charges, when assessing your credit limit.

3.2 What does the cost of the TeleChoice Mobile Service depend on?

The cost of the *TeleChoice* Mobile Service depends on:

- (a) The *pricing plan* *you* select;
- (b) *Your* use of the *TeleChoice* Mobile Service (including, for example, length of *call*, time and day of call (which may not be the local time where the *call* is made), destination of *call* and *call* type, and *your* use of any *value added Mobile Service features*); and
- (c) Any changes *you* make to *your pricing plan*, the *value added Mobile Service features* *you* use or acquire and if *you* accept the terms of a *special*.

3.3 What are the fees and charges for using the TeleChoice Mobile Service?

- (a) You must pay:
 - (i) The fees and charges for the *TeleChoice* Mobile Service, which are set out in the *pricing tables*, on *TeleChoice's* website www.telechoice.com.au, or in any applicable *special*; and
 - (ii) Any additional fees and charges noted in the *agreement* (including in your *application*) or notified by *TeleChoice* in accordance with the *agreement* from time to time.
- (b) You must pay all fees and charges which are incurred for the *TeleChoice* Mobile Service even if *you* did not authorise its use, including any fees and charges incurred by your *secondary*

contact arising from that person's access to and operation of *your account*.

- (c) You must pay the fees and charges for the *TeleChoice Mobile Service* even if the *TeleChoice Mobile Service* is unavailable or you are unable to access the *TeleChoice Mobile Service*. You will be entitled to a refund or a rebate under clause 11.4 of the *General Terms* if:
 - (i) You suffer a significant loss of access to, or use of, the *TeleChoice Mobile Service*; and
 - (ii) The loss was not as a result of circumstances reasonably attributable to you or your equipment.

3.4 Types of fees and charges (including minimum monthly payments, administration charges and other charges)

- (a) You will be charged that amount each month regardless of the actual usage of the *TeleChoice Mobile Service* during that month.
- (b) Unused portions of the included usage credit component of *your minimum monthly payment* will be forfeited and cannot be used in any way in subsequent months.
- (c) Monthly included calls/text/photos will appear on your bill.
- (d) Some charges, including the following, **are not** included in your included plan value:
 - (i) *International Roaming*;
 - (ii) Any insurance charges;
 - (iii) Any equipment charges;
 - (iv) *Minimum monthly payment*, and
 - (v) Calls to special numbers, texts or photos to special numbers, premium rate Mobile Services and Third Party content, unless specified otherwise.
- (e) The *pricing tables* include full details of what is included in and excluded from your *pricing plan*.
- (f) In addition to the fees and charges you incur in the normal use of the *TeleChoice Mobile Service* (including a *minimum monthly payment*), *TeleChoice* may charge you an administration fee and other similar charges. These costs may include suspension fees or cancellation fees, late payment fees, bill reprint fees, barring fees, payment dishonour fees and reconnection or reactivation fees. These charges are set out in the pricing tables for your *TeleChoice Mobile Service*.

- (g) *TeleChoice* may also ask *you* to make a pre-payment usage charge or request that *you* make an interim good-faith payment (including, for example, if there has been an unusually high use of the *TeleChoice* Mobile Service or if *you* want to activate *International roaming*).

3.5 How does *TeleChoice* calculate fees and charges?

- (a) To calculate fees and charges, *TeleChoice* looks at billing information generated or received by *TeleChoice*.
- (b) If *you* use the Mobile Services of a third party, *you* will be billed at the third party's applicable rates and charges. *TeleChoice* may bill *you* for your use of the Mobile Services of a third party, but only if *TeleChoice* is acting in *TeleChoice*'s capacity as that third party's billing agent.

3.6 Can you change your pricing plan?

- (a) You may change your *pricing plan*:
 - (i) If your current *pricing plan* allows *you* to change; and
 - (ii) If *you* meet the eligibility criteria of the *pricing plan* to which *you* want to change (for example, if *you* are changing from a *pricing plan* with lower charges to a *pricing plan* where there are higher charges that *you* meet the credit requirements of the *pricing plan* with higher charges).
- (b) Under the terms of your *pricing plan* there may be conditions attached to changing your *pricing plan*. Please refer to the *pricing tables* for details of your *pricing plan*.
- (c) From time to time *TeleChoice* may offer *you* an option to upgrade your equipment or renew your *fixed term contract*. *TeleChoice* may refuse your application to upgrade if *you* have not completed your initial fixed-length agreement or *TeleChoice* may require *you* to pay the sum of any outstanding upfront costs or instalments for your existing equipment.

3.7 Variable charges

- (a) Some fees and charges for the *TeleChoice* Mobile Service are subject to variation, such as charges relating to:
 - (i) *International Mobile Services* or *International roaming*; and
 - (ii) Content or premium Mobile Services.
- (b) You should contact *TeleChoice* before travelling overseas.

4. BILLING AND PAYMENTS

4.1 How often will TeleChoice bill you?

- (a) *TeleChoice* will usually send *you* a monthly bill for your use of *TeleChoice's* Mobile Service and for any Mobile Services used earlier if they haven't been paid by *you*.
- (b) If the charges incurred since your last bill are below a minimum amount specified by *TeleChoice* from time to time detailed on your bill, *TeleChoice* may elect to not send *you* a monthly bill until the charges *you* incur have reached that specified amount.
- (c) If *TeleChoice* has not sent *you* a monthly bill, *TeleChoice* will always send *you* a bill at the end of the quarter for all charges incurred during that quarter, even if your account has not reached that specified amount.

4.2 What will appear on your bill?

TeleChoice will try to include on your bill all charges for the relevant billing period. However, this is not always possible and *TeleChoice* may include these unbilled charges in a later bill(s). Your first bill will have a pro-rated *minimum monthly payment* and include a call credit component for the part of the month in which your *TeleChoice* Mobile Service is connected.

4.3 TeleChoice may use a billing agent to bill you

TeleChoice may bill *you* using a billing agent (which may be another *TeleChoice* group company).

4.4 What types of payment methods may you use?

- (a) *You* may pay by one of the payment methods as set out in the payment notification, on your bill or on *TeleChoice's* website.
- (b) In some circumstances (for example, based on *TeleChoice's* credit assessment of *you*), *you* may be required to pay by direct debit.
- (c) If *your* payment is not honoured (for example, in the case of insufficient funds for direct debit or credit card payment, or a dishonoured cheque), *TeleChoice* may charge *you* a fee.
- (d) Your liability to us for any payment of your account will not be affected, in any way, by any agreement that we may enter into, from time to time, with a third party in respect of your account and/or the payment of your account.

4.5 When must you pay your bill?

- (a) Subject to clause 11.2 of the general terms, *you* must pay the entire amount billed by the due date specified in the payment notification, or as otherwise notified by *TeleChoice*, except for any

disputed fees or charges for which *TeleChoice* have suspended payment obligations.

- (b) In some circumstances (see clause 3.4(g) above) *TeleChoice* can also ask *you* to pay *TeleChoice* a reasonable amount before *you* receive any monthly bill or during connection to *TeleChoice*'s Mobile Service by a due date specified by *TeleChoice*. These amounts will be credited to *your* account.

4.6 What happens if you do not pay your bill by the due date?

If *you* do not pay *your* bill by the date the payment is due, *TeleChoice* may:

- (a) Charge *you* a late fee and/or a dishonour fee. *You* should see the relevant *pricing table* for the *TeleChoice* Mobile Service concerned to check the late fee that applies.
- (b) If *you* have agreed to pay by direct debit, debit your bank account with the overdue amount unless *TeleChoice* have received notice from *you* disputing your bill. If a direct debit fails or is rejected, *TeleChoice* reserves the right to pass on to *you* any charges that *TeleChoice* may incur.
- (c) Stop *you* using some or all of *TeleChoice*'s Mobile Service (including restricting outgoing and incoming calls, texts, photos),
- (d) Bar, suspend or cancel the *TeleChoice* Mobile Service, in accordance with clause 12.1 or 12.3 of the general terms as relevant or in accordance with this *Mobile Service description*. If *TeleChoice* bars, suspends or cancels the *TeleChoice* Mobile Service, *TeleChoice* may charge *you* a barring fee, suspension fee, cancellation fee or reconnection or reactivation fee. Reconnection or reactivation of the *TeleChoice* Mobile Service is subject to payment of the reconnection or reactivation fee. *You* should see the relevant pricing table for the *TeleChoice* Mobile Service concerned to check if a barring fee, suspension fee, cancellation fee, reconnection or reactivation fee applies, and if so, what that fee is.
- (e) Engage a Mercantile Agent or lawyer to recover the money *you* owe *TeleChoice*. If *TeleChoice* engages a Mercantile Agent or lawyer, *TeleChoice* may charge *you* a recovery fee.
- (f) Notify credit reporting agencies as to your credit worthiness, credit standing and credit capacity.
- (g) Institute legal proceedings against *you* to recover the money *you* owe *TeleChoice*. If *TeleChoice* institutes legal proceedings against *you*, *TeleChoice* may also seek to recover from *you* interest (pursuant to the Penalty Interest Rates Act 1983 (Vic)), together with *TeleChoice*'s reasonable legal costs reasonably incurred.

- (h) On-sell any unpaid amounts to a third party. If *TeleChoice* does this, any outstanding amounts will be payable by *you* to that third party.

4.7 Multiple Mobile Services

If *you* have more than one Mobile Service with *TeleChoice* and are in arrears in payment for any of your Mobile Services, *TeleChoice* may elect (with your consent) to recover any amounts outstanding for any of your Mobile Services from any of your accounts for Mobile Services that have positive balances or bill *you* for the use of *TeleChoice*'s Mobile Service on your other account.

4.8 What happens if you have overpaid?

- (a) If *you* have overpaid as a result of a billing error:
 - (i) Your account will be credited with the amount *you* have overpaid; or
 - (ii) If *you* have stopped obtaining the *TeleChoice* Mobile Service, *TeleChoice* will use reasonable endeavours to notify *you* that *you* have overpaid and refund the over payment.
- (b) When *TeleChoice* refunds overpaid amounts under this clause 4.8, *TeleChoice* will refund the overpaid amount to *you* by sending *you* a cheque, unless your overpayment was made by credit card where *TeleChoice* will pay the refund back against your credit card.
- (c) Any credits applied to your account will first be used to offset any outstanding overdue charges before a refund will be issued.

5. NETWORK LOCKING

- (a) If your mobile phone has been obtained from *TeleChoice*, it may have been programmed to only work on *TeleChoice*'s supplier's network. This is known as network locking.
- (b) To disable network locking on your mobile phone *you* must contact *TeleChoice* on 1300 TELECHOICE to obtain a code to unlock your mobile phone.
- (c) Before *TeleChoice* provides *you* with the code to unlock *your* mobile phone *you* may have to pay a network locking removal fee (see the pricing tables for details).
- (e) Only an account holder (or *secondary contact*) can disable the network locking from *your mobile phone*.
- (f) *TeleChoice* may refuse to disable the network locking from *your mobile phone* if:

- (i) *You are in breach of the terms of your Agreement with TeleChoice; or*
- (ii) *You have already ported and TeleChoice has invoiced you for the network locking removal fee but you have not paid that amount.*

- (c) *You must keep the SIM card secure and only use it to access TeleChoice's Mobile Service.*

6.2 Who owns the SIM card?

- (a) *TeleChoice owns the SIM card and it remains the property of TeleChoice at all times.*

- (c) *You must not interfere with or impair the operation of the SIM card.*

6.3 What do you do if your SIM card is lost or stolen?

- (a) *TeleChoice is not responsible for any lost or stolen SIM cards.*

- (c) *If your SIM card is lost or stolen and you do not notify TeleChoice, TeleChoice may cancel your TeleChoice Mobile Service in accordance with clause 12.3 of the general terms.*
- (d) *You are responsible for all charges for calls made using the lost or stolen SIM card up until the time you notify TeleChoice that your SIM card has been lost or stolen and TeleChoice bars outgoing*

calls, or suspends the *TeleChoice* Mobile Service or activates IMEI blocking (see clause 10 below).

6.4 Replacing the SIM card

Unless *you* are otherwise in breach of the *agreement*, *TeleChoice* will replace the *SIM card* (including where *your mobile phone* has been lost or stolen or the *SIM card* has been damaged), and may charge *you* a replacement fee.

7. PHONE NUMBERS

- (b) For an additional charge, *you* may apply for a more memorable phone number ("Premium Number").

7.3 Can *TeleChoice* change the phone number *TeleChoice* has allocated to you?

- (a) *TeleChoice* may be required to vary, withdraw, suspend or re-assign a *phone number* *TeleChoice* has issued to *you* in order for *TeleChoice* to comply with the *numbering regulations*.
- (b) *TeleChoice* will give *you* as much notice as is reasonably practicable if *TeleChoice* has to do this.

7.4 Can you change the phone number *TeleChoice* has allocated to you?

7.5 Who owns the phone number?
